Written Assignment for Unit Two

Be sure to refer to this course syllabus for instructions on format, length, and other information on how to complete this assignment. Please answer **ONE** of the following:

- 1) Describe workers' compensation. Include the rationale for its existence from an employer and employee perspective.
- 2) Given the advent of telemedicine and the increasing use of the Internet by patients, identify and describe at least two ramifications of a physician licensed in one state prescribing medicine to a patient in a non-reciprocity agreement state.
- 3) Identify and explain two issues the nursing profession faces.
- 4) The text identified a number of factors that may result in an increased need for PAs. Identify and explain at least two of those factors.

Cultural Diversity in Health and Illness

Text: ***Cultural Diversity in Health and Illness***

7th Edition, 2009

ISBN: 978-0135035894

Author(s): Rachel E. Spector

Publisher: Pearson Prentice Hall

Study Guide

Written Assignment for Unit Two

- Include your **name, student number, course number, course title and unit number** on *each page* of your written assignment (this is for your protection in case your materials become separated).
- Begin each written assignment by identifying the question number you are answering followed by the actual question itself (in bold type).
- Use a standard essay format for responses to all questions (i.e. an introduction, middle paragraphs and conclusion).
- Responses must be submitted as a MS Word Document only, typed double-spaced, using a standard font (i.e. Times New Roman) and 12 point type size.

Word count is NOT one of the criteria that is used in assigning points to written assignments. However, students who are successful in earning the maximum number of points tend to submit written assignments that fall in the following ranges:

Undergraduate courses: 350 - 500 words or 1 - 2 pages.

Graduate courses: 500 - 750 words or 2 - 3 pages.

Doctoral courses: 750 - 1000 words or 4 - 5 pages.

Plagiarism

All work must be free of any form of plagiarism. **Put written answers into your own words.** Do not simply cut and paste your answers from the Internet and do not copy your answers from the textbook. Be sure to refer to the course Syllabus for more details on plagiarism and proper citation styles.

Please answer **ONE** of the following:

1. List and describe the factors that constitute traditional epidemiology.
2. List and describe the four types of healing.
3. Differentiate rituals of birth and death among people of different religions.

Written Assignment for Unit Three

- Include your **name, student number, course number, course title and unit number** on *each page* of your written assignment (this is for your protection in case your materials become separated).
- Begin each written assignment by identifying the question number you are answering followed by the actual question itself (in bold type).
- Use a standard essay format for responses to all questions (i.e. an introduction, middle paragraphs and conclusion).
- Responses must be submitted as a MS Word Document only, typed double-spaced, using a standard font (i.e. Times New Roman) and 12 point type size.
